this (Logan) county. Mem-
the United Mine Workers of
are driven out of the county
if necessary. The owners

If necessary, the operators of the county contributed \$46,630 in the payment of deputy sheriffs. In 1921 it was \$61,517. These "sheriffs" acted as general deputies, serving processes around the county and arresting men who had connection with the operators' mines. The attorney general of Virginia, Mr. England, said (pp. 720, 721):

low, so far as Logan county
concerned, I feel that the mine-
system, as maintained there,
is, if not the greatest source
of trouble in that particular coun-
ty. That is on account more of

Senator Kenyon's indictment of the mine guard system in the county where it is the strongest, indicates how this unlawful institution is maintained throughout the anti-union min-

rights. This, however, failed to secure a sufficient number of legislators. Arkansas has the honor of being the first to favor the amendment.

Shreveport, La., July 5.—This morning the first to pass on the child labor amendment to the federal constitution, has rejected the proposal. The federal relations committee of the house favored the amendment after a hectic debate of more than two hours states' rights advocates in the house defeated the amendment by a vote of 26 to 54.

St. Louis, Mo., July 5.—The Democratic City, N. J., July 5.—The city bar association declared in favor of the child labor amendment to the federal constitution at their convention.

BRINGS LESS THAN \$1**

told of these conditions, the union and labor council refused to let men who were earning \$1 a day and less at this plant. A committee was appointed to investigate. Unionists found that the company was paying 3 cents for having the bark of a railroad tie peeled. The bark is dry and the bark is hard to peel. Workers must remove the bark from a pile and replace them. When the bark is peeled. To earn \$3 a day 100 railroad ties have to be peeled.

and handled. The unionists at the plant at 4 o'clock in the afternoon found that 50 ties were the best number peeled that day. The worker had earned \$1.50. To accept this employment because they have been out of work and that good wages can be made is a feeling experience is acquired. After several days they realize they

EQUALITY FOR ALL URGED

is imperative," said Dr. Payson Boston, commissioner of education, at the opening session of the annual educational association. "It is a challenge to American education to produce an American citizen that will have a passion for justice; that will tolerate nothing less than equality before the law; and that will give no place to unworthy discrimination."

whether the public school or the private school system can succeed as a national experiment may well be questioned. But the fact that they will succeed in keeping together in unity is another question. The fact that they are free American citizens is another question.
